## THIS IS YOURS...

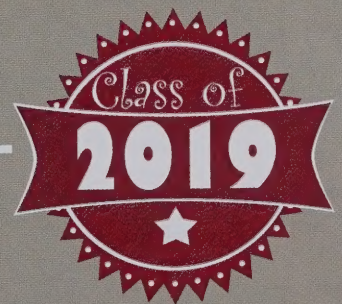

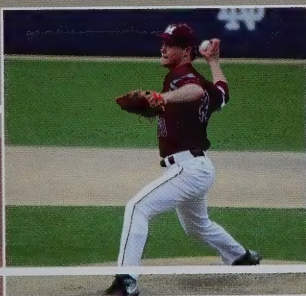

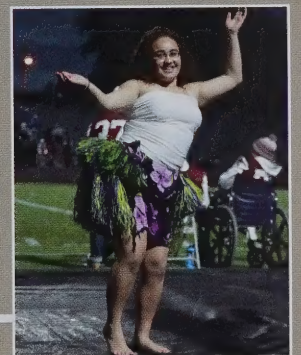

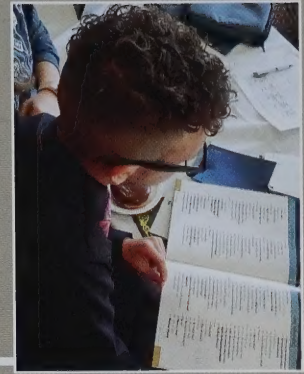

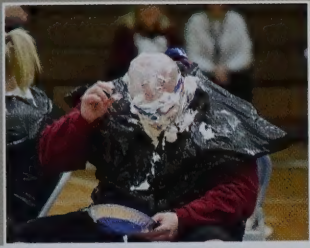

Mishawaka High School gives every student an exhilarating experience. High school, in and of itself, is new, exciting, scary, and can be quite intimidating. At MHS, students are encouraged to get involved with clubs, sports, academic teams, anything that interests them. Students are pushed to do whatever they can to make their high school experience their own. This year, our faculty, coaches, students, and Mishawaka community contributed more than ever before to help create a family within the walls of this school. The 2018-2019 school year will go down in history as a turning point in Mishawaka High School and the students who were lucky enough to experience the changes made this year will have stories to tell for generations. Mishawaka High School gives every student lasting memories and lifelong bonds they will cherish for years to come. We, the yearbook staff at MHS, encourage you to use this book as not simply a yearbook, but a time capsule; a time capsule that you will look back on decades from now and remember your high school, your friends, your teachers, and your experiences. This book, this school, these memories are yours... but as a Mishawaka family, they are OURS.

# 006 THE MISKODEED STAFF

The yearbook staff is dedicated to capturing the essence of yOUR school. The staff met third block on white days and spent countless hours outside of class planning, photographing and creating the pages of this book. We depended on teachers, coaches and students to help us highlight the academic, athletic, and life achievements of all Cavemen.

The staff spent a half day in Valparaiso in October working with an artist from Josten's to bring our vision to life. Editor in Chief Chloe Garrett, and three year staff member, knew she wanted to create a bold book that was unlike any Miskodeed of the past. From the heat sensitive cover to the seasonal layout of the book, every detail was planned by the core group of editors and brought to life by a staff of 24. This was truly a team effort.

Samantha Buchmann

Chloe Garrett

Michael Burris

Xavier Warren

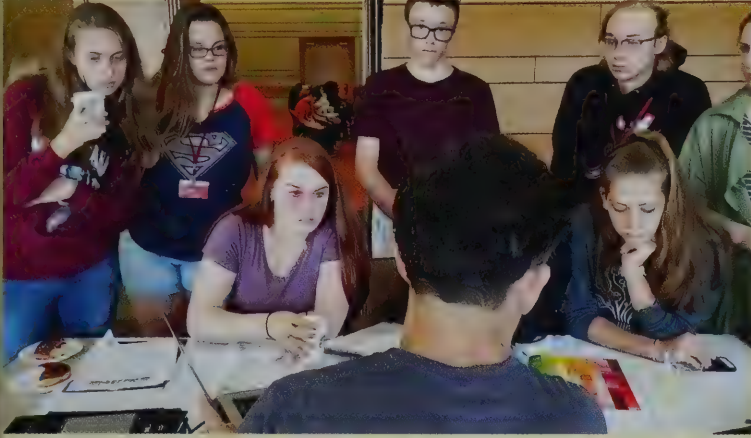

Jordan Keltz, James Buchmann, Alex Glassburn, Bri Phend and Chloe Garrett listen as the designer helps them bring their vision of the cover to life.

Staff began the year with team building games. The staff formed teams and had to complete tasks for points. How many cups could you stack in 30 seconds? How many Skittles could you move from one plate to another using a straw? The points were totaled and a winner declared.

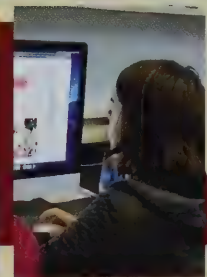

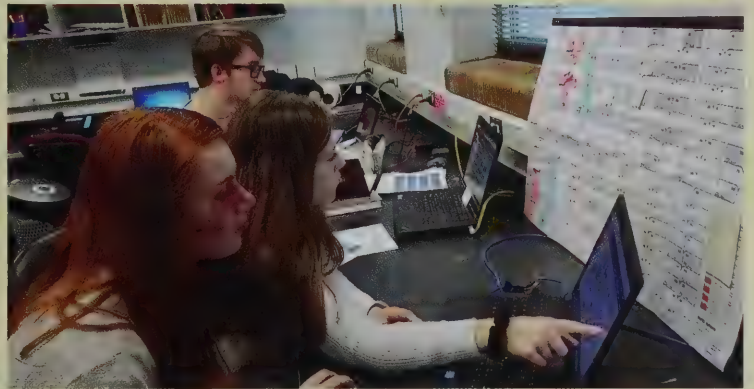

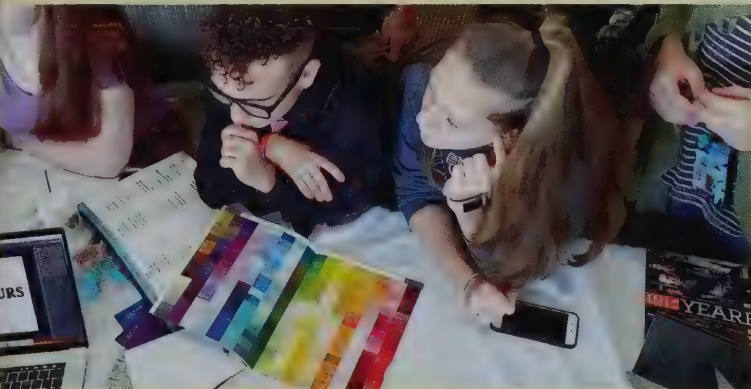

Freshmen are an important part of our team. These students gained experience in publishing. They learned to tag pictures, worked together to plan pages and created the layouts. They are future yearbook leaders.

Staff attend a seminar on yearbook trends and how to create elements that are carried throughout the book.

## THE TROPHY IS OURS

In the 2018 baseball season, our boys secure their second sectional championship in three years. Following their championship, they faced Penn High School for the third time this season in the first round of Regionals. The football players and cheerleaders are standing in lines along with other sports and a few clubs. Everyone was standing in lines waiting to get recognized for their sport/club.

Champions Together, spearheaded by Athletic Director Sherry Keyser, enters its second year as a weekly activity for Mishawaka High School. By uniting student athletes and special needs students, Champions Together allowed students with and without intellectual disabilities to represent MHS through IHSAA sanctioned activities. Through sports and the camaraderie that comes with it, Champions Together is a program for all kinds of successful kids. Champions Together took part in a trunk or treat event in the student parking lot, and the annual Polar Plunge and a student vs faculty basketball game with all proceeds benefitting Special Olympics.

## GRINDING BEYOND THE GROTTO

Seniors Jack Hecklinski, Courtney Pelletier, Jacob Roeder, Emma Watford, Zach Springman, Chris Harness, Sam Shively, Kyra Young, Faith Quintana, Aryana Shelton, Patton Snyder, Blake Brown, Rylín Bagarus, Colin Fee, and Anna Carpenter were all accepted to colleges of their choice on athletic scholarships. Some are continuing their academic careers together (both Courtney Pelletier and Emma Watford have joined the St. Mary's volleyball team), while some are going their own way. Either way, it's clear the Mishawaka Cavemen truly are continuing their drive beyond the Cave. Teams from cross country to football, basketball to baseball, swimming to volleyball all received a chance to continue their athletic careers into college.

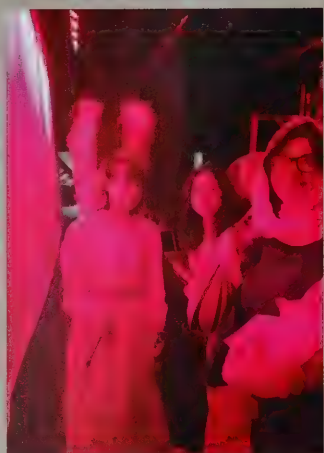

# 068 VESPERS/ MADRIGALS

"It was very fun! I've been doing it for three years and I love it. The costumes are beautiful and so is the music. Even though this year was hard because the show was the day we found out about Breana. We got through it. We did it for Bre."

- Izabella Barstow

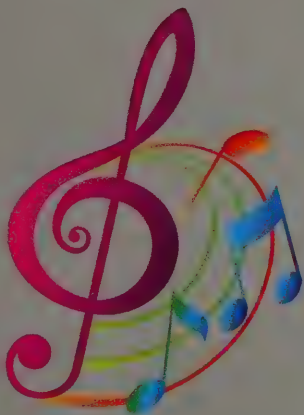

Mr. Brown, a former Broadway actor and opera singer, became Mishawaka's newest choir teacher this year. His arrival allowed for free music lessons, and a focus on technique this year rather than rote practice. This year's choir program was recognized with many ISMA golds.

Choir has given me the opportunity to grow as a singer and a performer. I have learned things about music and have gotten the chance to perform amazing pieces with an amazing group.

- Elizabeth Nicodemus  
(Maroon Jazz)

# 070 FOOD DRIVE/ DOOR DECOR

This year was the 36th anniversary of the MHS food. The success of the event . This brought many members of our community together. National Honor Society worked with the Science department and the entire school corporation student body to provide food for more than 100 Mishawaka families.

The winners of this years door decorations by grades are; Brummett (12), Gerber (11), Stantz (10), and Kizer (9). The office decoration winner was Ruppert.

Mid game Quinto Squadroni (9), contemplating the next move to make.

## QUIZ BOWL

"Quiz Bowl is a real test of knowledge and composure under pressure. I enjoy the rush of racing to buzz in before the other team. It's basically Jeopardy." -Tyler Colborn

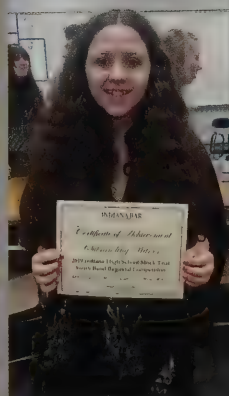

Quiz Bowl meets Monday through Thursday every week, with a meet every Wednesday. This year, Quiz Bowl had a nearly-undefeated season, with only one loss to Penn, and tied for St. Joseph Valley champion in the regular season, with second place in the St. Joseph Valley Tournament. The state competition was March 9th.

## MOCK TRIAL

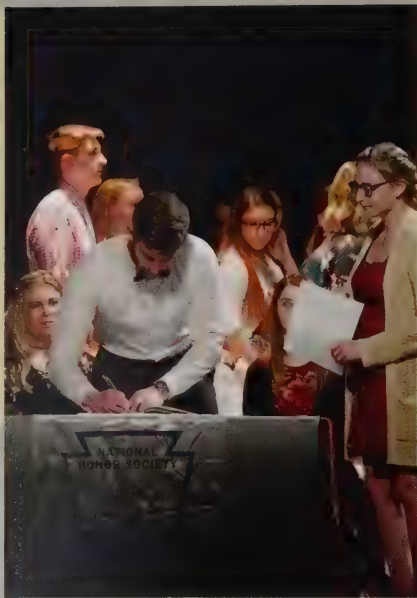

Two mock trial teams, along with coach and English teacher Jessica Monroe, competed in the South Bend Regional at Adams High School on Saturday, February 23rd. The teams, "Mock Mock" and "Lawn Order" worked from October to February to prepare case strategy, memorize details about the case, hone their questions, and anticipate the strategies of other teams. Through three rounds of competition, team members fought hard to maintain consistent character identity as case witnesses and to remain flexible and sharp as attorneys. Much praise was earned from round judges and many lessons were learned. Freshman Kathryn Habel earned a well-deserved Best Witness award for her role as band director Marion Roberts.

Senior and two year Mock trial member Keyanna Rosetto said, "my favorite part of Mock Trial is the relationships you build with your teammates. Building and arguing your case becomes an emotional journey that the whole team is invested in and you become close in ways you really wouldn't expect from an academic team."

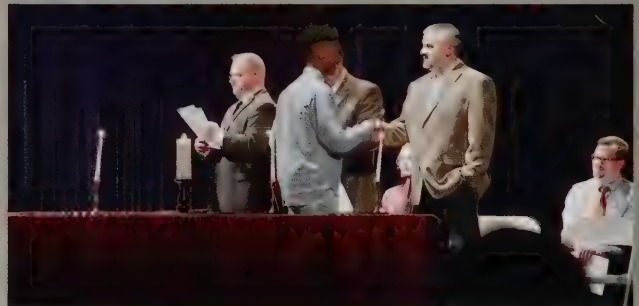

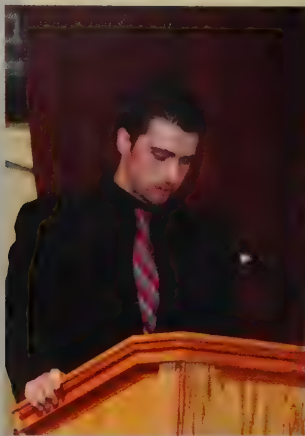

# 072 NATIONAL HONORS SOCIETY

The Mishawaka National Honor Society is a group of students who strive in both, academics and service to the community. These members must display excellence and exceed expectations of the pillars of the National Honor Society which include: scholarship, leadership, service and character. NHS plays a major role in the annual food drive, tutoring, graduation and many other activities. This year's induction speaker was MHS football coach Keith Kinder.

## BLOOD, SWEAT, AND GEARS

The Mishawaka Robotics Club is made up of five separate teams. Four are a part of the FTC (First Tech Challenge): Insanely Smart, Ecto Flex, the Rosy Riveters, and Spontaneous Combustion. The Fifth team, Giddy Goats is a part of the FRC (First Robotics Competition). The FRC is a highly advanced group of students who work day-to-day to create a superior robot, in both design and programming. This season they built a four-foot robot in a six-week build period, and produced a "T-shirt gun" robot for use at MHS's football games.

# 074 FINE ARTS

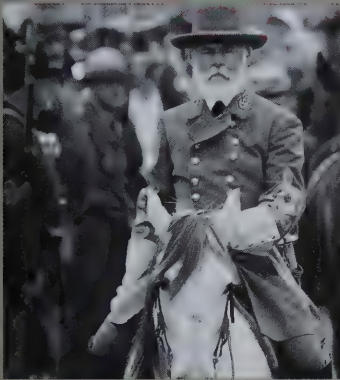

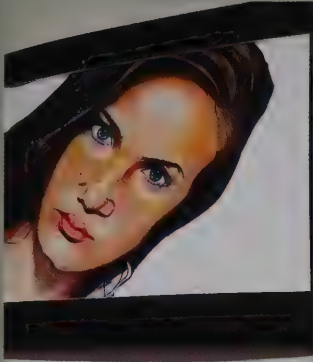

Senior Bailey Davis designed an entirely new gym floor for the Cave over the summer.

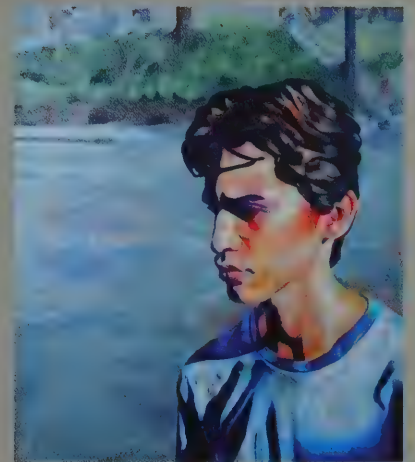

"There's no mistakes, just happy accidents in art."  
-Haley Christensen, senior

This year, Mishawaka High School's art department continued to prove it is the best in Northern Indiana with another exceptional showing at the regional Scholastics art competition hosted at the South Bend Century Center. More than 5,000 pieces of art were submitted from high schools across the region. Only a few hundred were chosen as the best of the best. From around 70 MHS students who had the work selected to be entered, 48 received an award. A total of 100 awards were split among the MHS winners. There were 24 gold awards, 34 silver awards, and 42 honorable mentions. In the region, Mishawaka received the most gold keys. Additionally, MHS has placed two National Medals in the Scholastic Art Awards. Izzy Barstow won a Silver Medal for her photograph "Creepy Vintage" and Flynn Scorzelli won a Gold Medal for his colored pencil portrait titled "Farewell Lane".

# MISHAWAKA NETWORK

The Mishawaka Network encompasses all aspects of media creation at Mishawaka High School. Students did everything from producing and broadcasting live events, such as athletics and commencement, to creating and editing news and stories from around School City of Mishawaka. Along with recording and producing content, students wrote and edited scripts and recorded audio tracks to better tell stories. MHS has continued its commitment to all journalistic media. Be on the look out for more exciting content from the Mishawaka Network in the years to come.

## 078 STUDENT COUNCIL

Mishawaka High School's Student Council, with President Katherine Grover, Vice President CJ Fisher, Treasurer Sam Barhydt, and Secretary Salome Walker, has accomplished a lot this year. We had the tailgate, a movie night, the food drive, and two great pep rallies.

## S.M.A.C

This year, S.M.A.C (Students Making a Change) has lived up to its name. Following in the footsteps of D.A.R.E, S.M.A.C has taken a stand against drugs and violence under the leadership of Mrs. Fisher.

S.M.A.C. meets every Monday to discuss their plans for the upcoming weeks and schedule events to raise awareness for the consequences of drinking, smoking, and partaking in illegal activities. The members work hard to make their lessons fun, informative, and memorable by celebrating holidays like National Prevention Week and Kick Butt Day

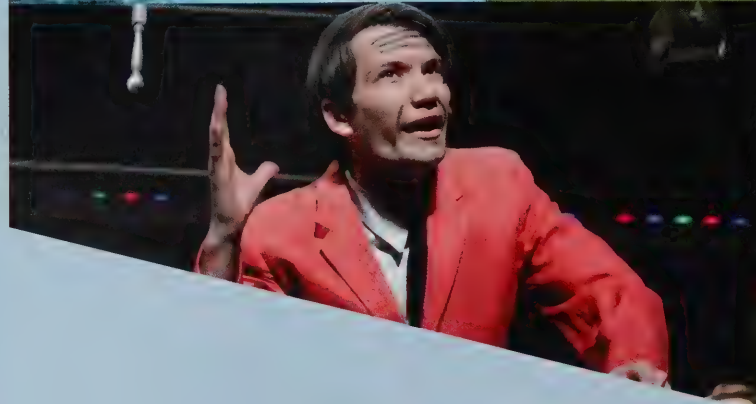

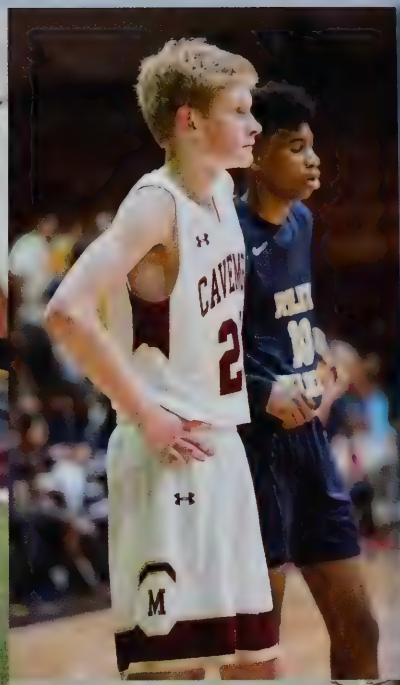

This year, Champions Together entered its second year as a weekly activity for Mishawaka High School. By uniting student athletes and special needs students, Champions Together opened a dialogue between the vocational learners and the general student body, and simply gave an outlet for both groups of students. Through sports and the camaraderie that comes with it, Champions Together is a program for all kinds of kids in the modern day.

"I love Champions Together because of the environment and the kids involved. I never leave without a smile on my face. I'm always laughing and you have a chance to meet new people." -Ary Shelton

## LOVE LIVES ON

Those we love are never really lost to us – we feel them in so many special ways—through friends they always cared about and dreams they left behind, in beauty that they added to our days... in words of wisdom we still carry with us and memories that never will be gone... Those we love are never really lost to us – For everywhere their special love lives on.

Mishawaka High School Presents:

# THE MUSIC MAN

Mayor Shinn (**Pandora Lawson**) and Charlie Cowell (**Conor Foley**) expose Harold Hill as a con artist.

Harold Hill (**Gage Reynolds**) sets out to make a quick buck, scamming the citizens of River City, Iowa with promises to keep the youth out of trouble by forming a band. His methods are suspect to some, but he uses his wit to distract them with music and charm.

Despite his fake credentials and trickery, Harold Hill (Gage Reynolds) finds true love with the town Librarian and music teacher, Marian Paroo (Victoria Tiller). It's her endless devotion to him even after uncovering his lies that convinces Hill to mend his ways and become the Music Man he had promised to be.

Senior Cally Hess plays Ethel Toffelmier. Of her four years of theater Cally said, "Theater has had a lasting impact on me. These are some of the best memories of high school."

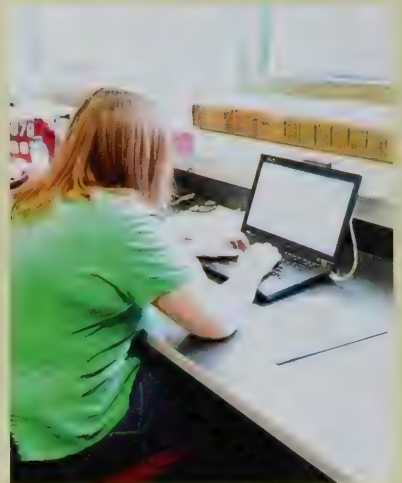

Marcellus Washburn (Maximo Powell) acts as Hill's confidant

Mrs. Paroo (Morgan Hardy) and her son (Miracle Flory)

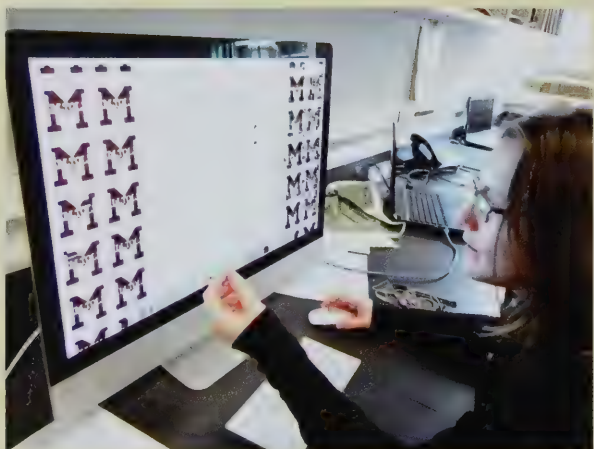

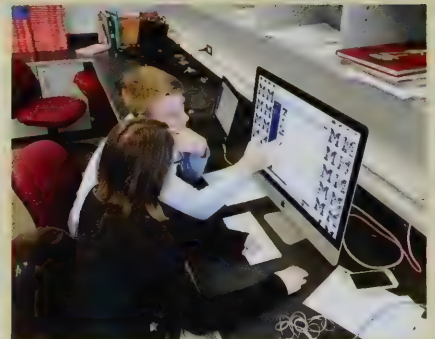

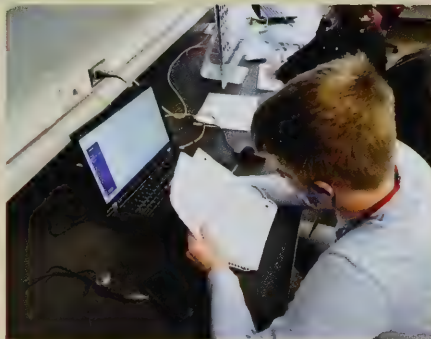

Senior Brody Robinett discusses photo selection for a story.

"I really like that Mrs. Buchmann gives us freedom to explore journalism with the different types of stories we write." -Brody Robinett

"I like this class because it allows me to express and improve my journalistic abilities, and interact with my school community."

-Keyanna Rosetto  
(Editor in Chief and three year staff member)

The Alltold is produced by a dedicated staff of student journalists. The students studied journalism as a pre-requisite. Among the high points of the year, students traveled to Ball State to hear Mary Beth Tinker (Tinker V. Des Moines) on the 50th anniversary of the landmark Supreme Court decision that guaranteed student journalists' First Amendment rights. Advisor Mrs. Buchmann said, "It will be hard to replace this group of wonderful seniors."

Science Olympiad is a group of highly-disciplined students overseen by Mrs. Stantz. Its main goal was to build small robots to complete multiple tasks designed by the judges. This year, Science O had to say its final goodbye to six hardworking seniors.

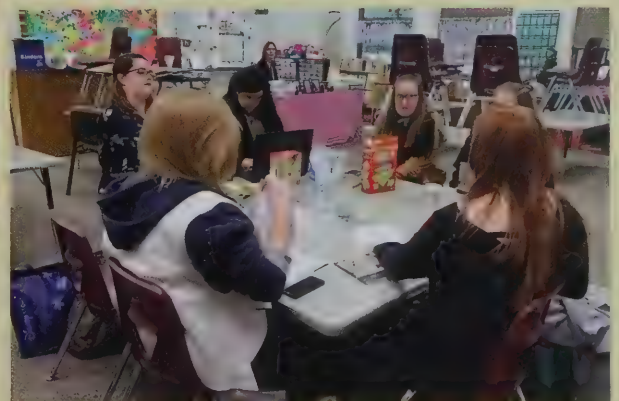

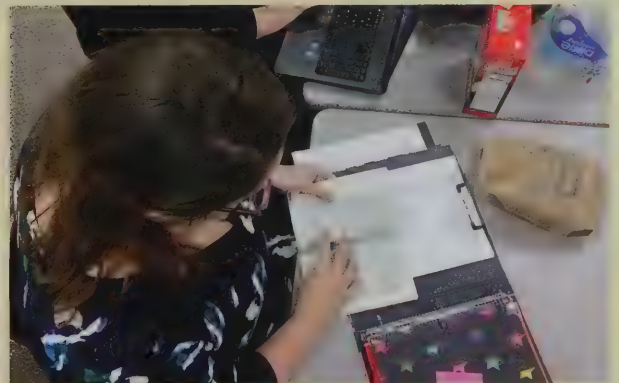

Junior John Jachimiak, has participated in Science O for the past three years of his high school career. He says that he is striving for science.

## ACADEMIC SUPER BOWL

The Academic Super Bowl team is coached by Senior Dean of Students, Jessica Mann. The team will take part in its regional competition in April (after this book goes to press) right here at MHS. The subject for the competition is The Fertile Crescent.

CONGRATULATIONS

CLASS OF 2019,

WE DID IT!

# SALOME LYDIA WALKER CLASS OF 2019

You are God's gift to use...Our blessing and joy, a beautiful, talented, caring, loving young lady with the world, and opportunities at your fingertips. Start by doing what is possible and suddenly, with God's help, you are doing impossible things. Stay steadfast in God's word and He will give you the desire of your heart. Ask God and it will be given. Knock and it will open. We thank God for the time He has given us to teach you, care for you, and share all the moments of you growing up. We are excited for the next chapter of your life. Way to go! Great job! We are proud of you, Salome. We love you with all of our hearts.

-Dad, Mom, and all your brothers and sisters

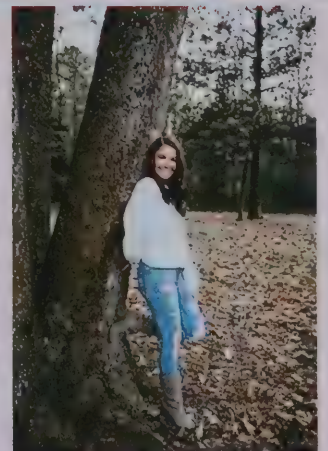

## ABIGAIL TERILEE BRADLEY CLASS OF 2019

Seems like yesterday, our hearts were pounding with happiness as we told Morgan she was going to be a big sister and she huffed and puffed that all she really wanted was a puppy. We knew from the moment you were born that you were the beginning to a whole new adventure! For 18 years we have watched as your talents and creative nature grew and flourished. You are so gifted in so many aspects: art, fashion, cooking... anything you have ever set your mind to, you have learned and achieved. We were blessed 18 years ago, and the blessings keep coming as you continue with your story. You may not have a "pla" but there is no denying that you were made to do great things! We're so proud of you, baby girl! You are and forever will be "my sunshine"!

# CHLOE AND JAMES

We are incredibly proud of what both of you have accomplished. We couldn't have asked for funnier, more loving children. You make our family complete.

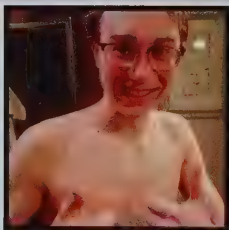

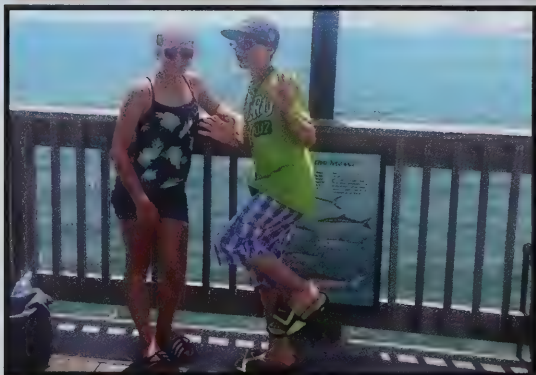

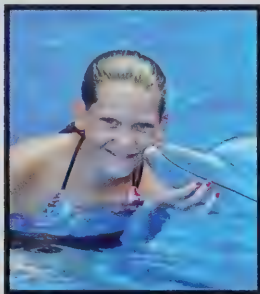

Chloe, you made the most of your high school career and packed a lifetime of memories into it. We are in awe of you.

James, your passion for tennis and playing varsity all four years brought us such joy. You're a great team mate.

Build on the life lessons learned and continue to pave your path of self-discovery. Hard work, honesty and strong morals have gotten you this far. Those traits will not let you down. Seek Christ in all you do. Go forth and accomplish great things for mankind. Be a good friend, a good person and a mentor to the world. In short, follow your bliss.

Love,  
Momma and Dad, Trixie, Scout, Katie, Joe, Kyler,  
Liz and Sam

PS Chloe will always be older than you, James.  
PPS We know the banana did it!

# CONGRATULATIONS TO THE CLASS OF 2019

## DYNAMIC DUO

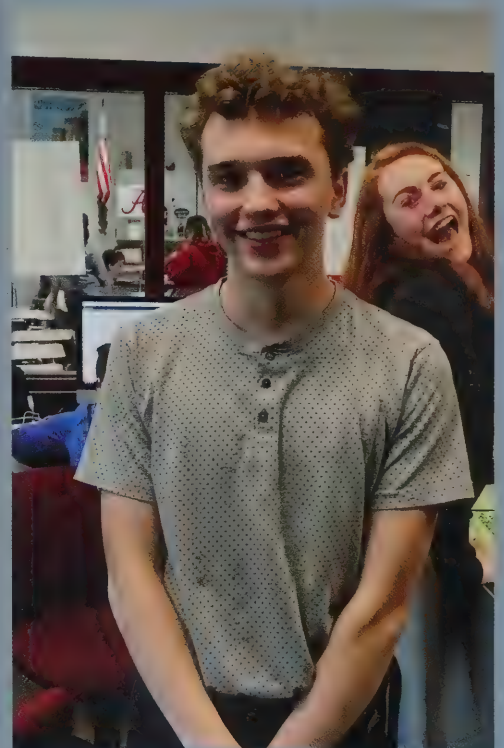

This school year, the yearbook staff had eight hardworking seniors. Whether they were a multi-year member of yearbook or new this year, every one of them used their gifts in an important role. These students were the brains behind the unique cover, seasonal organization of the book and selling out an unprecedented 95% of Miskodeeds by March 15.

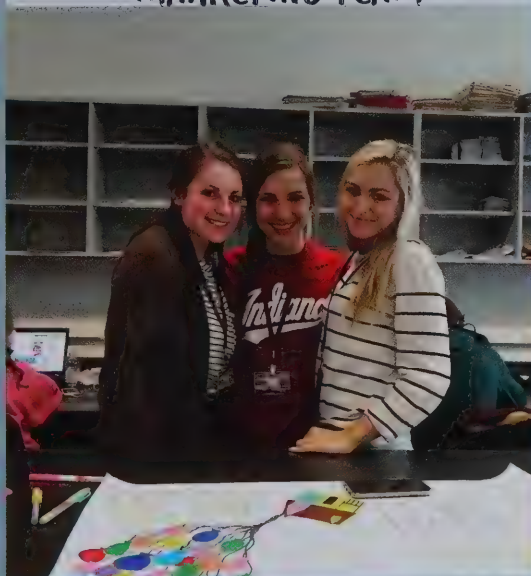

This year's editor-in-chief was Chloe Garrett, alongside her was Jordan Keltz as co-editor-in-chief. Alex Glassburn and James Buchmann were in charge of the Marketing team. Brie Phend, Skyler Norris, and Haley Christensen made posters to encourage students to buy the book. Tyler Colborn was the class mascot and cheerleader, always on hand to lighten the mood while working on his newspaper column. Together they made yearbook a family and an unstoppable team. Now it is time to pass the positions to the next generation of leaders.

Love and Peace,  
Mrs. Buchmann and  
the yearbook team
